IS ONE OF THE BEST PURGATIVE and Liver Medicines now be fore the public, that acts as a cathartic, easier, milder and more effectual than any other medicine known. It is not only a Cathartic, but a liver remedy, seting first on the Liver to eject the morbid matter, then onthe stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the pulm'diffectings experienced in the operation of most Cathartics. It strengthens the system at the same time that it purges it, and whon taken daily it moderate dones, will strengthen and build it up with unusual rapidity.
